

**IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF OREGON**

SOPHIE F.,

Plaintiff,

v.

NANCY A. BERRYHILL, Deputy
Commissioner for Operations, performing the
duties and functions not reserved to the
Commissioner of Social Security,

Defendant.

Case No. 6:16-cv-1742-JE

ORDER

Michael H. Simon, District Judge.

United States Magistrate Judge John Jelderks issued Findings and Recommendation in this case on August 6, 2018. ECF 21. Judge Jelderks recommended that the Commissioner's decision be affirmed. No party has filed objections.

Under the Federal Magistrates Act ("Act"), the court may "accept, reject, or modify, in whole or in part, the findings or recommendations made by the magistrate." 28 U.S.C.

§ 636(b)(1). If a party files objections to a magistrate judge's findings and recommendations,

"the court shall make a de novo determination of those portions of the report or specified

proposed findings or recommendations to which objection is made." *Id.*; Fed. R. Civ. P. 72(b)(3).

If no party objects, the Act does not prescribe any standard of review. *See Thomas v. Arn*, 474 U.S. 140, 152 (1985) (“There is no indication that Congress, in enacting [the Act], intended to require a district judge to review a magistrate’s report to which no objections are filed.”); *United States v. Reyna-Tapia*, 328 F.3d 1114, 1121 (9th Cir. 2003) (en banc) (holding that the court must review *de novo* magistrate judge’s findings and recommendations if objection is made, “but not otherwise”).

Although review is not required in the absence of objections, the Act “does not preclude further review by the district judge[] *sua sponte* . . . under a *de novo* or any other standard.” *Thomas*, 474 U.S. at 154. Indeed, the Advisory Committee Notes to Fed. R. Civ. P. 72(b) recommend that “[w]hen no timely objection is filed,” the court review the magistrate judge’s findings and recommendations for “clear error on the face of the record.”

No party having made objections, this Court follows the recommendation of the Advisory Committee and reviews Judge Jelderks’ Findings and Recommendation for clear error on the face of the record. No such error is apparent. Accordingly, the Court **ADOPTS** Judge Jelderks’ Findings and Recommendation, ECF 21. The Commissioner’s decision is **AFFIRMED**.

IT IS SO ORDERED.

DATED this 21st day of August, 2018.

/s/ Michael H. Simon
